FASHION FOR GOOD THE LOCATION

Fashion for Good is housed in a historic building in the heart of Amsterdam's city centre. The international hub for sustainability, fashion and innovation offers bright, inspiring spaces suitable for a variety of uses.

Fashion for Good is easy to access on foot, bike or by public transport. The metro line M52 departs every 6 minutes in front of the building at 'Rokin' station. Tram lines 4, 14 and 24 also stop in front of our building, and lines 2, 11 and 12 stop at 'Spui', which is a 5 minute walk away.

Built in 1903 and preserved as a national monument, this historic building was originally an all mens reading museum. When visiting, you can still find the 'Gebouw Leesmuseum' plaque on the building's facade.
